

# CHARTER AMBASSADORS FOR CHILDREN AND YOUNG PEOPLE

Did you know? Our Year 6 Nunga Students are part of the 2024 Charter Ambassador Program!

## WHAT IS THE CHARTER AMBASSADOR PROGRAM?

The SA Government made a law to support children to be happy, safe and well. The Charter is part of this law. A group of children went to a workshop and discussed what the most important things were for children to live a good life. Children's voices were listened to, respected and valued. The Charter came up with 5 key areas - Wellbeing, Health, Safety, Education and Preparing for adulthood. Under these key areas are conditions that all children in SA can and should have (refer to page 2).

So the SA Government and other adults consider what is important to children when they make decisions.

## WHY IS IT IMPORTANT?

## WHAT DID WE DO?

On Tuesday 19th March, we were invited to Government House and were welcomed into the program by Her Excellency Frances Adamson (South Australia's Governor). We were fortunate enough to be taken on a tour around Government House and enjoyed delicious canape's on arrival. We then walked over to the Festival Centre where we engaged in our first workshop. We listened to a very inspirational guest speaker; David Chikwuba who is a wellbeing counsellor for young people. He shared stories about the importance of our identity and what it means to be a good leader.

## WHAT'S NEXT?

Next term, we will be heading to Parliament House to engage in conversations around the 5 key areas for all children in SA to have a good life, now in the future. We will have the opportunity to share our voices and have our ideas heard.
